- We generally do not offer bar tabs to any guests, besides the bride and groom as payment at the end of the night is often forgotten and it is a struggle to then track down guests to settle their accounts after the wedding.

Please keep in mind that the venue is open from 09h00 – 16h00 on any given set up or breakdown day.
- Should we have a function booked the day after your function, then we will need your suppliers to clear out the venue straight after your function to give us enough time to clean and prep the venue for the following day.
